

# Coffee Fundraiser

Denver Figure Skating Club makes available its gourmet coffee for purchase and sale by members, as well as anyone wishing to have the ultimate coffee sipping experience.

## Why buy our coffee....

- ✓ Our coffee is roasted and packaged by Gizzi's coffee, a premium gourmet coffee roaster with over 20 years experience.
- ✓ Gizzi's Coffee only roasts **100% Grade A Arabica beans**, grown at elevations above 4,500 feet.
- ✓ Our coffee is hand roasted to order in small batches to the highest quality standards, unlike mass produced gourmet coffee found in retail stores. Truly an artisan grade coffee, you won't find a better coffee anywhere, at any price.
- ✓ **Extra value!** Gizzi's Coffee comes in a full 16 oz bag, unlike some other gourmet coffees.
- ✓ All blends come in Whole Bean or Ground, Regular or Decaf.
- ✓ ....And all orders are **100% guaranteed!!**

## Why sell our coffee....

- ✓ Our club needs money to continue providing great programs for our members.
- ✓ Our group makes \$5.00 on each bag sold. At \$12.00 per bag, that is a profit of over 40%!!
- ✓ Our sales will help fund our Skater Achievement Awards
- ✓ You, the member, get \$2.50 (payable to coaches, rinks, music editors, dressmakers, etc. per USFSA rules) for each bag you sell \*\*. The other \$2.50 goes to the club.
- ✓ Our coffee is easy to sell. You take the order, you collect the money, you turn in your orders to us, and two weeks later the coffee is ready to be delivered to you. No worries about ordering or having to store too much.
- ✓ ....And it's just great coffee!!!

## We have 4 fabulous coffee flavors:

- **Denver FSC House Blend** - Chef's special. Customer's favorite. Clean, sweet and medium bodied makes this blend tasty all day
- **Synchronicity Colombian Supremo** - Grown high on the slopes of the Colombian Andes, this is one of the world's better known coffees. A full sized bean with an abundance of purity, flavor and richness.
- **Patinage Artistique French Roast** - Our darkest roast. A blend of Central American coffees. Brews a full bodied, strong cup with hearty characteristics.
- **Chasse French Vanilla** - A creamy, rich, custard-like essence of the ice cream it was named for!

Please forward any questions and your orders to **Hope Webb** in person, or via email at [coffee@denverfsc.org](mailto:coffee@denverfsc.org)
