Introducing our newest fundraiser for the Denver Figure Skating Club...

## REWARDS PROGRAM

**How does it work?** You buy a Gift Card from the Club. Use the card to pay for purchases at **KING SOOPERS**. Once you use the initial amount on your card, or even before you use that initial amount, it can be reloaded for any amount up to \$500. You simply give it to your cashier before your purchases are scanned so the reloading is paid as a separate transaction. Or take it to a Customer Service desk employee when you first enter the store (this may be better because sometimes it takes a few minutes for the reloaded amount to be available). You pay for the reload amount by cash, check or credit card. You can then use the Gift Card to pay for your purchases at any **KING SOOPERS** at any checkout line. You can reload the card again and again.

**What's the catch?** Really.... **NONE!** There are no extra costs associated with this program. A \$10 Gift Card is redeemable for \$10 in **KING SOOPERS** merchandise. This is a way for **KING SOOPERS** to encourage shoppers to patronize their store, and also for them to support non-profit organizations.

**How does the club earn money?** Every time you purchase an initial card from the club, **AND EVERY TIME YOU RELOAD IT**, **KING SOOPERS** adds that amount to our club's Neighborhood Reward account. Once the total in any given month reaches \$5,000, the Club gets a check for 5% of the total. It's that simple. If we don't hit \$5,000 in that month, the balance rolls forward to the next month & continues accumulating.

**How do you purchase cards?** We have some \$10 cards available now! You can purchase a card today. When you go to **KING SOOPERS** on your next shopping trip, reload the card for any amount you'd like to make sure you have enough money on it, pay for the reload, then go about your shopping. Continue to reload the card as needed whenever you go to the store. Don't throw the card away! All your reloads and purchases continue to accumulate in the Club's account.

**What can you use the cards for?** Any purchases at **KING SOOPERS** (with the exception of some services such as lottery tickets, stamps, etc), including gas purchased at either **KING SOOPERS** or City Market Fuel Centers.

**How long is the card good for?** The dollar amount on the card never expires. However, if your card balances goes to zero, and you don't reload it within 90 days, the card does become inactive, and you will need to purchase a new card from the club. If you reload it after it is inactive, the club will not get credit for that reload.

**Where else can I use the cards?** The **KING SOOPERS** Gift Card is accepted at most Kroger-affiliated stores throughout the United States. These include **KING SOOPERS**, City Market, Kroger, Fred Meyer, Ralphs, Fry's and Fry's Marketplace, Dillons, Smith's Food & Drug, QFC, Food 4 Less, Owen's, Foodsco., Hilander, Pay-Less Supermarkets, Cala-Bell, Baker's, Jayc, Fred Meyer Jewelers, Littman & Barclay Jewelers. (Loaf and Jug does not accept these cards.)

**What about other cards sold at KING SOOPERS?** If you buy a reloadable **KING SOOPERS** gift card directly from **KING SOOPERS**, the club does NOT get credit. Only the cards sold by the club are registered to give credit to the club.
