

WELCOME

Denver FSC Jr Board!

Lauren	Banko	The DFSC Jr Board has given me the opportunity the past year to develop friendships with many skaters who I did not normally see or talk to and have a voice within the club. I learned leadership skills and the value of service. I want to serve on the Jr Board this next year to help continue many of the clubs activities and share some of my new ideas. I hope to further evolve my skill sets, get more involved within the club, and strengthen my friendships!
Sara	Bucko	I have been skating for 10 years. I love to compete and also love to participate in Showtime on Ice. Hobbies outside of skating include art and photography. I would like to bring some creative ideas to the Junior Board that would bring the club members closer together as a community. I will listen to what the other skaters in DFSC want to have to enhance their skating at South Suburban and work hard to implement those ideas. I hope to have the opportunity to serve on the board. Thank you, Sara Bucko
Torie	ElHaje	My name is Torie ElHaje and I am a sophomore at Legend High School. I have been skating for 10 years, and also skate on Denver Synchronicity's Intermediate team. I love to volunteer, which makes me a great applicant for Jr. Board. I also enjoy reading, traveling, and going on long walks or hikes with my dog. I would like to serve on Denver Figure Skating Club's junior board because I had so much fun last year. I loved being able to come up with new ideas and helping with the social media aspect of the club. I would also be very useful for the board because I know how things are run, and can help new members who aren't as familiar with procedures and other things that I learned last year. I would love the opportunity to continue what I started last year and help make this club the best that it can be.
Emily	Fredericksen	I enjoy helping out in my community and have such a commitment to my rink and club. I'd love to lend a hand and generate ideas with everyone to make our little corner of the skating world an even better place.
Sarah	Hicks	Hi, my name is Sarah Hicks and I am currently enrolled in Grandview High School. Getting involved with my community is very important to me, especially the skating community. I have been skating most of my life, and it's something I love doing and very passionate about. I enjoy performing and growing as a skater with new skills. I would like to serve on the board to see ice skating grow and prosper. I like to contribute new ideas for fun activities to promote skating, valuable fundraising, and work as a team to get things done. I'm highly organized, dependable, and a good listener. At Grandview, I am also involved in the Medical Club and Student Leadership. I am currently a Juvenile skater and just passed my Intermediate Moves In The Field test. I enjoy listening to music, reading, and volunteering. I'm really excited for this opportunity!
Madeline	Morse	My name is Madeline Morse and I am a sophomore at Highlands Ranch High School. I am involved in choir at school and love to sing. When I'm not skating I enjoy spending my time in the mountains with my family and two dogs! I would love to be on the junior board this year! I am excited to be a part of such a great group of skaters, supporting my fellow athletes and coming up with really fun ideas for our club activities.
Kylie	Starr	I would love to serve on the DFSC Jr Board because it is a fun, new experience that I would like to try where I can help people put things together and make decisions. I've loved helping people since I was a little girl and this is a great way for me to put that to use. I am also a hard worker with a lot of dedication. I could also put this to use if I could have the new experience of being in the DFSC Jr Board.
Ana	Valdez	I was on the first ever junior board and it taught me good leadership skills and I would love to have a say in the club and be a part of a great group of girls and putting our ideas together and helping the club as much as I can again! This is a great opportunity and is one that I loved doing and would love to be apart of! I love photography and skating of course but those are only two of the things I enjoy doing, school is a big part in my life and I push myself to succeed in everything that I am involved in! Being a leader is something that I love to be towards other people and being a good role model to the younger girls that we all skate with. I believe I would be a good addition to the DFSC Jr board because I can contribute good ideas and help be a leader and portray that leadership responsibility towards others, I have been apart of the jr board before and know what to expect and I would be willing to jump in and help in any way that I can!
