

June 1, 2010

Dear Denver FSC Member,

Thank you for taking an interest in the Denver Figure Skating Club. Membership in the Denver FSC runs from **July 1, 2010** through **June 30, 2011**. When you join Denver FSC you will be joining United States Figure Skating (USFS) at no additional cost.

Denver FSC was established in 1938 with its skaters training at outdoor facilities. When the University of Denver arena opened our skaters willingly began utilizing the indoor ice. When South Suburban Ice Arena was built, many DFSC members began skating at this facility as well. Today, the club's members primarily skate at South Suburban Ice Arena and Family Sports Center but continue the tradition at the University of Denver as well as other locations around the Denver Metro area.

Denver FSC is committed to supporting and encouraging the sport of figure skating within the local and regional community. We strive to cultivate and develop a spirit of respect and support among our members - both competitive and recreational ice skaters, professionals, officials, parents and friends.

Each year, Denver FSC schedules various on and off ice activities for our members. This year our on-ice activities will include numerous exhibitions, judge critiques, Denver Invitational and the High School competition, our spectacular holiday performances as well as other fun-filled open skating events. Off-ice activities will include a back-to-school pool party, skate swaps, and our not-to-be-missed annual awards banquet.

If you have further questions regarding membership, please do not hesitate to contact the Vice President of Membership at membership@denverfsc.org. To begin or renew your membership, please complete the attached Membership Application form and return to the specified address or go online to www.denverfsc.org to submit the form electronically.

Sincerely,

2010-2011 Denver FSC Board of Directors
