

May 18, 2011

Dear Denver FSC Member,

Thank you for taking an interest in the Denver Figure Skating Club. Membership in the Denver FSC runs from **July 1, 2011** through **June 30, 2012**. After submission of your membership application, it will be reviewed. If approved, your membership in will be processed with Denver FSC and United States Figure Skating (USFS), at no additional cost.

At the 2011 Governing Council, the US Figure Skating Board of Directors presented a ballot item to increase dues in the amount of \$10.00 to balance their budget for the 2011-2012 membership year. The Governing Council voted to approve this item; it takes effect immediately. This increase will ensure that USFS can continue their current support and member programs and is only to happen one time over the next four years.

Today, the club's members primarily skate at South Suburban Ice Arena and Family Sports Center but continue the tradition at the University of Denver as well as other locations around the Denver Metro area. Denver FSC is committed to supporting and encouraging the sport of figure skating within the local and regional community. We strive to cultivate and develop a spirit of respect and support among our members - both competitive and recreational ice skaters, professionals, officials, parents and friends.

Each year, Denver FSC schedules various on and off ice activities for our members. This year our on-ice activities will include numerous exhibitions, judge critiques, Denver Invitational, High School competition, our spectacular holiday performances as well as other fun-filled open skating events. Off-ice activities will include a back-to-school pool party, multiple skate swaps, and our not-to-be-missed annual awards banquet.

If you have further questions regarding membership, please do not hesitate to contact the Vice President of Membership at membership@denverfsc.org or President at president@denverfsc.org. To begin or renew your membership, please complete the attached Membership Application form and return to the specified address or go online to www.denverfsc.org to submit the form electronically.

Sincerely,

Denver FSC Board of Directors
