Test Form **MUST BE RECEIVED** by the **HOSTING TEST CHAIR 14 DAYS PRIOR** to test date, **NOT POSTMARKED** by the due date. **FORMS ARE TO BE MAILED to the HOSTING TEST CHAIR by First Class Mail ONLY.** Forms delivered by other means will not be accepted. PLEASE DO NOT put forms in the club boxes at the rink and DO NOT drop them off at the test chair's home. The form **MUST be filled out completely**, including all fees **WITH PERMISSION TO TEST (IF NECESSARY).**

Please be at the rink a minimum of 45 minutes before your scheduled test time and be prepared to test at any time. Cancelled tests can cause the test session to run ahead of schedule. Not being ready for your test when called upon or an inconvenient test time is not grounds for a refund. Refunds are only issued if the test chair cannot schedule the test, not if a test application is withdrawn. The test chair reserves the right to cancel tests due to lack of appropriate judges.

Each test has up to a 10 minute warm-up prior to the test. This warm up time is included in the test fee. If you choose to warm up for more than 10 minutes, you will need to pay for a FS session or public ice session at the front desk before stepping on the ice.

Online registration for tests is available at the hosting club's website.

All skaters taking test(s) are required to pay the hospitality fee of **\$5.00** Any skater whose Home Club is **NOT** Denver Figure Skating Club or Colorado Skating Club must pay the non-club fee of **\$20.00**.

Tests submitted after the 14-day cut-off are required to pay a **\$25.00** late fee. All late entries are subject to availability of time and judges.

If a skater does not pass a Field Moves Test and is scheduled to test the same level for Free Skate at the same session, Free Skate test fee will not be refunded as ice time was reserved.

***NOTE: Fees have changed effective JANUARY 2020 due to increases in ice costs (1st increase since 2017).**
