

Nominees for the 2018-2019 Board of Directors (Listed in alphabetical order)

RHONDA MORRISON

I am Rhonda Morrison a Skater of over 40 years. I started skating at age four (4) at South Suburban Ice Rink. I enjoyed summer days at the rink, arriving early for my patch and freestyle session, off ice practice, ballet lesson, gymnastics and then afternoon patch and freestyle sessions. Competitions, Ice shows and precision team skating were all wonderful experiences. Many of life's lessons were learned at the rink and around the rink. Later in my twenties, I started skating on the DFSC Adult Synchronized Skating Team and continue to skate with Denver Synchronicities Master Team.

Professionally I have a degree from CU Denver in Liberal Arts. My entire career has been in the medical field working first in a hospital and a majority of time in nursing homes. After twenty (20) years in marketing, admissions, fundraising, and administration, I chose to become a licensed Nursing Home Administrator.

During 2005 – 2006 I was a DFSC board member and enjoyed the dynamic changes that were unfolding in skating at the time – changing to the IJS system. My career and experience with non-profits was instrumental during my service on the board. If elected, I will devote my energies toward further develop of the club, all disciplines of scattering, and sportsmanship. It would be a pleasure to participate again on the DFSC board.

CASSY PAPAJOHN

I have been a member of DFSC for 30+ years – this has been my only club! I have spent 9 years on the Board of Directors for DFSC serving as a club officer, President, Vice President, Secretary and Membership Chair. My skating background is vast – I am a two-time national champion, 1996 and 1998, and I hold official appointments as National Singles/Pairs Judge, National Singles Controller, Sectional Singles/Pairs Referee, Sectional Pairs Controller, Regional Technical Specialist and Data Operator.

I bring a wealth of figure skating knowledge to the team. If I am elected to the DFSC Board, my goal would be to support all levels and disciplines of skaters as well as encouraging current and past skaters to become more involved with the sport whether it is through volunteering for the club or to become a judge and/or referee. The Denver area as well as DFSC needs to grow their pool of judges for tests as well as their competitions to help lower costs. The sport of skating has been constantly and quickly changing over the past years and I would like to spread my knowledge with other skaters, parents and coaches.

LORI SEWILL

My name is Lori Sewill, I have 2 kids, Sara and Ella. My husband Bob and I have been together for 23 years. I do accounting for the Cherry Creek School District. Sara has been skating for 10 years, most of the time as a DFSC member. She is currently skating at a Novice level. I have spent the past 3 years serving on the DFSC Board of Directors and have enjoyed learning how the club operates and enjoy being involved in our many activities. I have also served on the Showtime On Ice Committee for the past three years, handling finances and props.
