

2021 Colorado High School Competition FAQ's

Who can enter the competition?

Any student enrolled in 9th -12th grade in a public, private, homeschool, or online high school may compete.

How many can be on a team?

Teams can consist of from two to six members.

There aren't other skaters at my school, can I make a team another way?

Yes, you may make a team with anyone from the same school, the same district, or from skating clubs and teams. Homeschool and online students may form their own teams or join another team with their friends.

Do we have to be from a registered USFS team?

No, you do not need to be registered as a team with USFS UNLESS you wish to compete at the National High School Competition. Then you will form a school affiliated club to be approved by your administrator (see your school administration for details and costs), and register that team with USFS (\$31 fee).

Do we have to have a coach put us on the ice?

No, your coaches are welcome and encouraged to come help or cheer your team on, but they are not required to put you on the ice.

Are spectators allowed?

Yes, please invite your family and friends. The team spirit award calls for lots of cheering and fun!

How do we show we're a team?

Teams should dress in school colors or specially chosen fun attire designed by your team. There are no restrictions, just make sure you can skate in it, and it is appropriate for the event!

What are we expected to bring?

Since the team event happens with everyone on the ice, please bring blankets to sit on and cuddle in! Team good luck signs are great, and any other cheering equipment is welcome.

Please bring your own water and snacks to keep your energy up.

Each team will also bring a small item (snack, candy, gloves, Kleenex, etc.) to put into each competitor's goodie bag. Your team captain will be notified as to how many competitors are registered prior to the event.

Most importantly, bring your enthusiasm and smiles!
